

Let's Celebrate Black History 2026 Together!

For years, you've been a driving force behind our beloved Annual Black History Event – an unforgettable celebration of diversity, community, cultural understanding, and Black excellence in our community. Your unwavering support has made this event even more powerful and meaningful every single year.

We're thrilled to extend a heartfelt invitation for you to join us once again as a valued ally and partner on February 21, 2026 at the Thompson Rivers University.

We are forever grateful and believe with your continued support, we can make this year's Fifth Annual Black History Event another memorable one yet.

The Black History Events

The Valid Dreams Foundation is a vibrant hub of diversity and inclusion, welcoming people from all walks of life. Our annual Black History Event is a celebration of Black and African cultures, sharing their rich heritage with the broader Kamloops and Kelowna communities.

This event creates a safe, inspiring space for people to learn about the incredible contributions and challenges faced by the Black community. It's an opportunity to foster new relationships, deepen cultural understanding, and strengthen ally-ships.

Each year, over 200 people from across Canada attend this empowering event. In 2026, we expect an even greater turnout, with the potential for international performers, artists, and an enhanced focus on Black films and representation.
